

Public Consultations - National, Regional and Local Plans

As part of our commitment to keeping you informed of the evolving planning policy framework, we have compiled this week’s roundup of active Public Consultations across Ireland. Being aware of these updates and opportunities to make formal submissions, is considered crucial for identifying strategic development opportunities and ensuring policy support for future development proposals.

Below is a summary of the current consultations at National, Regional and Local Plan level, including upcoming deadlines for submissions, please note this list is non-exhaustive. If you would like to discuss any of the below, please get in touch with our team.
